## The A4/A3 colour MFP that adds value and versatility to the demanding workgroup

The MC861 is the perfect choice for the more demanding workgroup or business with a higher print volume requirement. The large capacity toner cartridges contribute in reducing the total cost of ownership, without compromising on consistent high quality output and all the features and benefits that add value to your business.

This robust and reliable product gives you the versatility of printing, copying, scanning and faxing in rich A4/A3 high definition colour and has impressive print speeds of up to 26ppm for colour and 34ppm for mono.

The ability to print on a variety of media, large and small, means you can now print what you need, when you need it, reducing lead-times and your outsourced print costs, whilst improving efficiency by providing you the ability to print more business and customer documents in-house.

Features that add value to your business
